From US 30 (East or West Direction)

Exit US 30 at the Thorndale (Route 340) exit. This exit takes you to Bondsville Road (Route 340). Travel South on Bondsville Road until you reach Lincoln Highway (this is also known as Business Route 30). Turn right. Travel on Lincoln Highway (West) to South Bailey Road. You will see the Thorndale SEPTA Train Station on the South corner of the road. Turn left on South Bailey. You will go under the rail road tracks and immediately turn right. It is not well marked but that is still South Bailey Road. It will curve around and you will come to Shelburne Road. Turn Right. In two short blocks you will come to Westerham Road. Turn left. Follow Westerham until the very top of the hill. You will come to a “T” in the road as you intersect Honeymead Road. Turn right and we are the first house on the right side. Please note, Honeymead is a circle so you will notice the name on signs as you come up the hill. Don’t be concerned—any way you go, you will end up at 2992.

From Lincoln Highway (Business 30) from either the East or West Direction

Travel on Lincoln Highway to South Bailey Road. You will see the Thorndale SEPTA Train Station on the South corner of the road. Turn South on Bailey. You will go under the rail road tracks and immediately turn right. It is not well marked but that is still South Bailey Road. It will curve around and you will come to Shelburne Road. You will note a large sign that says The Reserve at Bailey Station. Turn Right. In two short blocks you will come to Westerham Road. Turn left. Follow Westerham until the very top of the hill. You will come to a “T” in the road as you intersect Honeymead Road. Turn right and we are the first house on the right side. Please note, Honeymead is a circle so you will notice the name on signs as you come up the hill. Don’t be concerned—any way you go, you will end up at 2992.
